

Young Researchers' Roundtable on Spoken Dialog Systems 2008

Columbus, Ohio June 21, 2008

The Young Researchers' Roundtable on Spoken Dialog Systems is an annual workshop designed for students, post docs, and junior researchers.

You get:

- An interdisciplinary forum for creative thinking and peer discussion
- Fun social events to get connected and build your network
 - Senior researchers panel on career advice
 - Job information

You bring:

- A position paper that describes your research interests

Submissions till May, 10th, 2008
